SENIORS: A TOUGH ACT TO FOLLOW

The years our class spent at Brea were ones of change. These were the years of "back to basics" education—the institution of English Lab, English A and B, Math Lab and proficiency testing. Discipline and attendance policies were being reinstated right and left as the student body continued to grow in number. Yet the Class of '78 survived these changes and is better for it. We didn't spend all our time in the classrooms, however. There was that one day when we all headed for the mountains for a day in the snow while school was still in session.

And who could forget the other Senior activities such as the Senior sponsored Christmas Formal, the Junior-Senior paper drive, the Senior breakfast, Senior week, Baccalaureate, Graduation Day, and finally THE ALL NIGHT PARTY! Yes, it was a good year, one I'm sure we'll always remember. I wish each one of you good luck in the future, and always remember that '78 is GREAT!

ACT II: ORGANIZATIONS: THE KEY TO SUCCESS

GIRLS' LEAGUE'S COMMAND PERFORMANCE

Adding to the year's success at Brea Olinda was an inexperienced but excellent Girls' League Cabinet. The annual Big/Little Sister Party served its purpose, making the freshmen girls feel welcome. Hello week started the school year off sweetly as Girls' League cabinet members passed out candy. "With One More Look at You" was the Homecoming theme and this look was an exciting one. The cabinet sponsored the week's activities and the dance after the game. The night's event were highlighted with fireworks as the queen was announced. Girls' League also sponsored the annual Co-Ed dance which was held this year at the Garden Grove Community Center. Couples danced all night to the music of Rose. The year came to a close as girls and their mothers attended the Mother-Daughter Social. The announcement of the 78-79 Girls' League officers highlighted the gathering. Girls' League contributed activities that set the stage for a fantastic and memorable year at Brea Olinda.

THE GUSHER STAFF SETS THE STAGE

Co-ordinating a new staff with a new advisor, the 1978 Gusher staff worked diligently to cover the year's activities and meet deadlines. Doubling up on major positions relieved the work load for the jobs of the editors, business managers and ad managers. Photo Editor Barbara Yates and her photographers Christy Hiner and Jane Taylor were often seen at school activities recording the events on film.

With major roles filled by Mr. Brown as advisor and Lori Carle and Kay Wolking as editors, the stage was set for a success story.

CHEER LIGHTS UP THEIR ACT

Hard work and constant enthusiasm is what being a cheerleader is all about. This year's J.V. Soph and Frosh cheerleaders never put that definition down. Dedication means sacrifices. All the cheerleaders proved this by practicing every morning from six to eight. If not practicing they were competing, and while at summer cheerleading camp they walked away with a first place ribbon for the most friendly and spirited squad, which is a definite reflection of the personalities of the 12 girls.

Activities during the school year involved a lot of extra time and effort. Painting signs and practicing cheers was an every day event for the girls.

The J.V., Soph and Frosh squads never lacked spirit, whether on the playing field or participating in assemblies. These girls were an asset to school spirit.

A highlight was their performance in a televised Christmas parade. EXECUTIVE COUNCIL PLAYED

Student involvement was Executive Council's main objective this year. Apathy was apparent at the beginning of the year, but the hard working council got the students interested in school by sponsoring the annual ASB assemblies and several other social and academic activities, such as a "Movie Night", and student exchanges. The group's efforts were appreciated by the whole student body, and once again proved that good leadership gets people involved.

THE LEADING ROLE

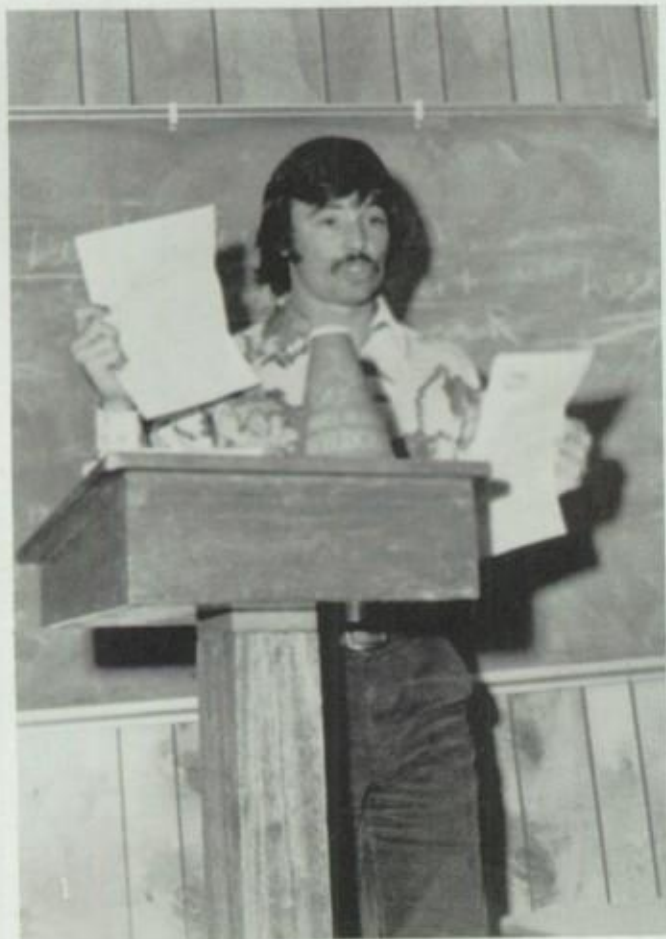

1. The council members had some aggravating moments during the year.
2. Carol Cosentino, Wendy Salovesh, Stacy Sakalis, and David LaRue reported class activities to the council.
3. Bob Lane, A.S.B. President, lead the council through his determination to get things done.
4. Courtney Affeldt, A.S.B. Vice-President, took her job seriously.
5. Executive Council worked hard all year.
6. Keeping the minutes was DeAnne Spicer, A.S.B. Secretary's, job.
7. Judy Detwiler, A.S.B. Treasurer, kept track of the Student Body money.
8. Mr. Hilleary helped the council out in many ways.
9. Denise Brown, Pep, Mary Frances Baulch, Special Interests, and Karen Pitts, Assemblies, were in charge of the lighter activities.
10. Cathy Lew is, historian; Shane Rose, C.A.S.C. Rep., and Jon Svet, School Board rep., had demanding jobs.
11. Melinda Terry, and Paul Gunterman, social welfare, planned the welfare activities.
12. Geoff Willis, and Russ Figueroa, publicity, made signs and kept the mar-quee up to date.

'WILDCAT' COVERED THE SCENE

Keeping the students informed of the many activities that went on at Brea Olinda was the primary task of The Wildcat, the school newspaper. Co-editors Fran Rolbeiki and Linda Collier made sure the paper came out promptly every three weeks. Not only did the Wildcat staff cover upcoming and previous events, they also participated in journalism conferences at Irvine, Cal Poly Pomona, Fullerton College, and Cypress College, and received good critiques at all. The newspaper underwent a format change and this provided for better coverage. This year turned out to be very challenging for the Wildcat staff and Advisor Dave Brown. Brown's main goal was meeting deadlines, and keeping up journalistic qualities.

Front row: Tony Pina, Peggie Osborn, Dave Brown, Beth Baugh, Geoff Willis. Middle row: Noreen Mendoza, Yvette Stedman, Debbie Evans, Linda Lyons, Stephanie Schumacher. Back row: David Baugh, Linda Norgard, Dave Stapleton, Bill Miner, Burt Wood, Priscilla Mayfield, Rachel Reed.

SOPHOMORES PREPARE FOR CURTAIN

The class of '80 was a spirited one this year. Led by officers Dina Gardner, president; Kelly Rider, vice president; Kellie Rose, secretary; Diedre Myers, treasurer; and Stacy Sakalis, council rep.; they were active in many student functions throughout the year.

With the challenge of the Junior-Senior Prom in mind, the class of '80 worked hard to make money through such activities as a car wash and candy sale. The sophomores' minds are filled with plans and hopes to make their upper-class years memorable.

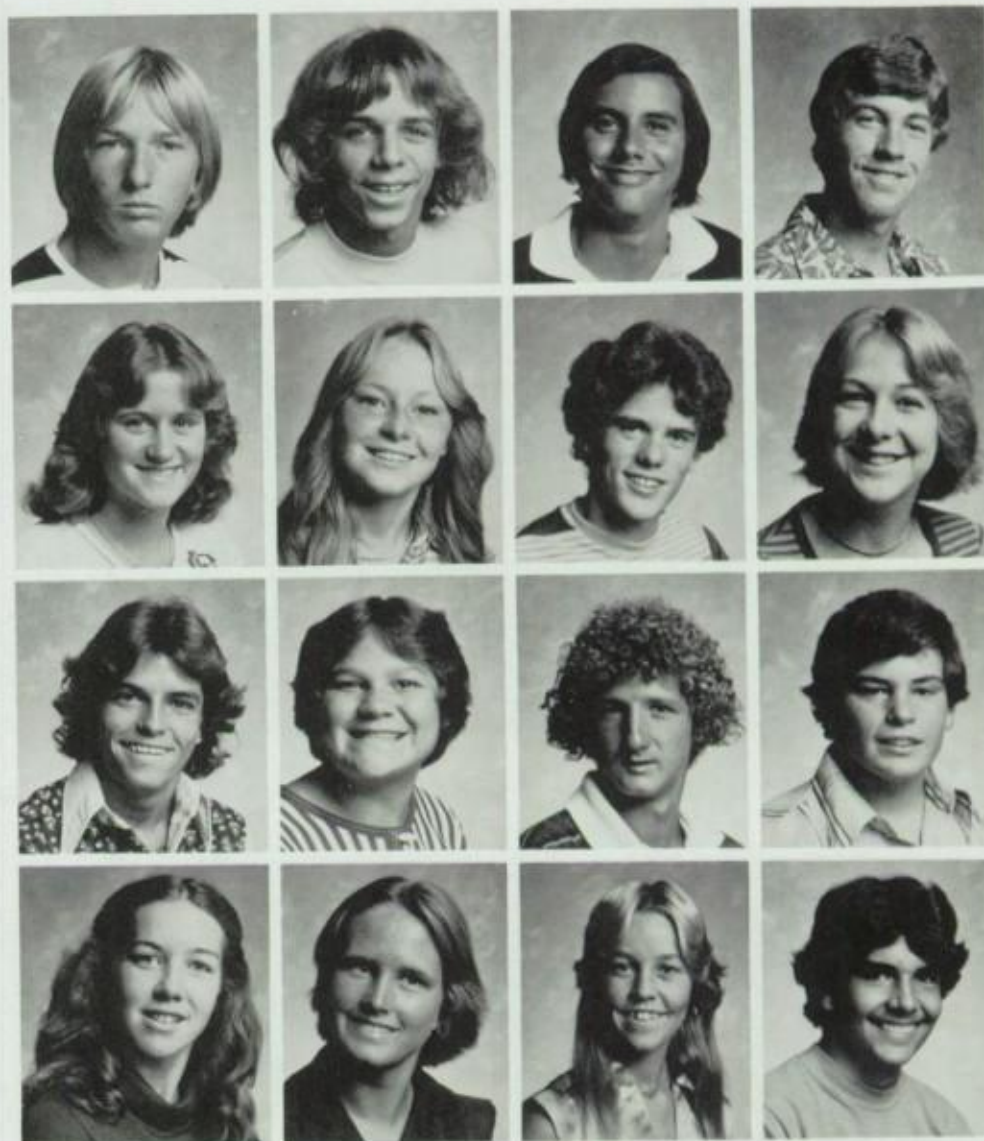

Left to Right: S. Sakalis, D. Myers, P. Weigand, K. Rider, D. Gardner.

Jeff-
It's been an
amazing year,
especially during
fifth period —
what a collection
of outlaws! It was
great, though. I hope
that you don't kill
yourself trying to outdo
Danny. You've got a
good mind and when you
decide to use it for a
purpose that will benefit
yourself, you'll be a
big success. I hope
your senior year is
super and that you're
in my government class,
if I'm here.

FRESHMEN PERFORM WELL

Right from the beginning of the year, the Freshman Class showed a lot of enthusiasm. For a fund raiser they held a car wash, which got the class off to a good start. To participate in the Homecoming parade, the Freshmen constructed a unique star-shaped float which took first place in the float competition. With the good leadership of Jeff Gardner, president, September Sheets, vice president, Linda Detwiler, secretary, Chris Christenson, treasurer, and David LaRue, representative, the Freshman class proved that they are definitely on their way to the top.

The world's a stage. The trifling entrance fee
Is paid (by proxy) to the Registrar.
The Orchestra is very loud and free
But plays no music in particular
They do not print the program, that I
know.
The cast is large. There isn't any plot.
The part I enjoy
Is what was called in English
the Foyay.
There will I stand apart awhile
And toy with thought
And then—without returning to the play—
On with my coat and out into the
night.

GREER NAMED "TEACHER OF THE YEAR"

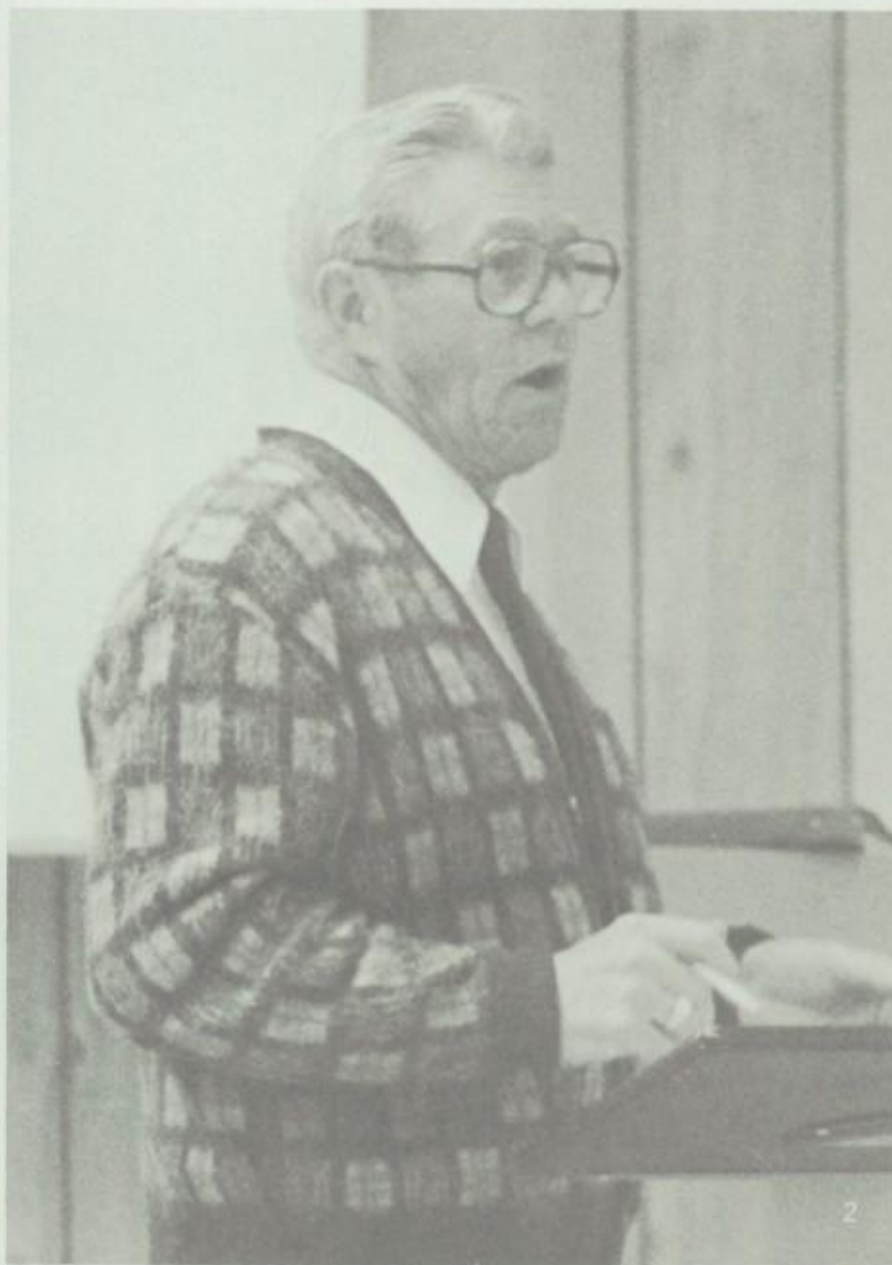

This years "Teacher of the Year", Mr. John Greer, well deserved the honor. He has been teaching at Brea-Olinda since September, 1962. During these years most of his time and effort has gone towards the math department and in recent years established the Math Club.

Although math is the course he is currently teaching, he did at one time teach a french class and in college his major was language. Teaching is not the only thing Mr. Greer has done for the school. For the past 10 years he has been the basketball and football scorer and timer and helps out at the track meets.

In his time away from the school, Mr. Greer enjoys golf, bridge, crossword puzzles and is an avid sports fan. He also has a great sense of humor as many of the students know.

Being named "Teacher of the Year" by all of the students in the school is a great honor and Mr. Greer is a great guy.

SADIE

The annual Sadie Hawkins Dance, sponsored by G.A.A., was held on October 29. This year's theme, "Ba Ba Bash," proved to be even more popular than in years past with over 200 couples in attendance. Though the band got off to a late start, enthusiasm soon picked up, and the cafeteria filled with Virgin's sound. For those who chose not to dance, alternatives were provided. Marryin' Sam and Sadie were hitchin' couples while the sheriff and deputy locked up criminals. Contests during band breaks included best dressed, hog-calling and belching, and ensured that the evening's pace never slowed.

“HELLO PEOPLE” TAKE A BOW

During the 1977-78 school year, students had the opportunity to see numerous outstanding assemblies. Along with the traditional pep squad assemblies designed to promote school spirit and enthusiasm, students were treated to multi-media message assemblies such as “Fat City” on January 11, 1978. This assembly consisted of a slide show on screens which spanned across the auditorium. “The Hello People”, a rock mime group, came to Brea Olinda on November 2, 1977. Their comical mime act complimented their music. Both assemblies were sponsored by Executive Council. Overall, student entertainment at Brea Olinda was interesting and exciting in the 1977-78 school year. There was a good variety of assemblies throughout the year which provided entertainment for everyone.

Assemblies certainly set the stage of life at BOHS.

YOUTH IN EDUCATION MAKES ITS DEBUT

Youth in Education was an important exercise for first-semester American Government seniors. Each school board member, administrator, and school principal was given a student counterpart, and the two ran through a typical work day before lunching at various local restaurants and attending a mock school board meeting with the students taking the seats of their counterparts. Pertinent issues were discussed and voted on, and school board members gained an insight to students' real feelings.

Participating students were: Bill Miner, Priscilla Mayfield, Young Whang, Joel Cugini, Mike Morris, Nayree Anderson, Steve Israel, Jill Hartup, Dan Zaccagnino, Tony Pina, Barbara Yates, Thayer Weddle, Curtis Woolley, Cherie Vaughn, Katie Wiegand, Jon Svet, Craig Twete, Stacia Martin, Linda Shipkey, Pat Van Delden, Kay Wolking and David Baugh.

The 1977-78 Christmas Formal December 17 was a huge success, involving many students and advisors. Under the competent supervision of the senior class officers, everything from the cake to the Christmas tree was perfect. "Mistletoe Magic" was the theme this year, and touches of the real thing once again helped create a festive mood at the Fullerton College Student Lounge. All the decorations were beautiful; snowflakes, silver & gold garlands, live evergreen wreaths, and Christmas lights spelling "Noel".

The Christmas court is traditionally all male, and this year was no exception. Five outstanding senior guys were elected to the court by a senior class ballot, and Bob Sallis was crowned King.

CO-ED: A WELL STAGED SHOW

This year's Co-Ed, sponsored by Girls' League, was held on March 3 at the Garden Grove Community Center. "Moonlight and Roses" was chosen as the theme for the 1978 semi-formal. Concluding a week of activities, Senior couple Patti Kitto and Jim Rosell, and Junior couple Dan Dubay and Kari Bonds anticipated the upcoming evening. GIRLS OF THE MONTH

Girls of the Month are chosen for their poise, academic ability, personality, leadership, and school involvement. The teachers voted each month for the girl they felt was most deserving of this award. A new girl was chosen each month and presented with a yellow rose by Girls' League. The girls were also honored at the Mother-Daughter Social at the end of the year. Girls of the Month were certainly not a stereotype. This year the girls' interests ranged from choir, drama, and executive council to home economics, athletics and art, or combinations of all these. One thing all the girls had in common, however, was their ability to excel in their specific area of interest.

BRADFORD GIRL OF THE YEAR

"Just as numerous ripples are made by a pebble dropped into water, so does the good that I accomplish spread," states the philosophy of 1978 Girl of the Year, Donna Bradford, and this year Donna created a multitude of positive ripples at Brea Olinda. The scope of her involvement was astounding, ranging from the demanding job as Girls' League President through the fine arts in choir and as the Page in the Children's Play "Sleeping Beauty" and into athletics where she earned a varsity letter.

While Donna was readily identified for her contributions to the Brea Olinda campus, the school did not constitute the boundaries of her participation. To comfort and aid senior citizens in Brea Donna was part of the TLC (Transportation, Lunch, Counseling) program. And, it is not only on the Brea campus that she has been recognized for she received Fourth Runner up plaudits in the Miss Brea contest.

Certainly the success of many 1978 events and the warmth with which they were carried out was a direct reflection of the leadership and charm of Donna Bradford.

1. A perfectly natural view of Donna Bradford with smiling face.
2. Choir members Donna Bradford and Christy Cook team up for practice.
3. Donna robes an obviously shaken queen, Joanne Rogers, at Homecoming.

1977-78

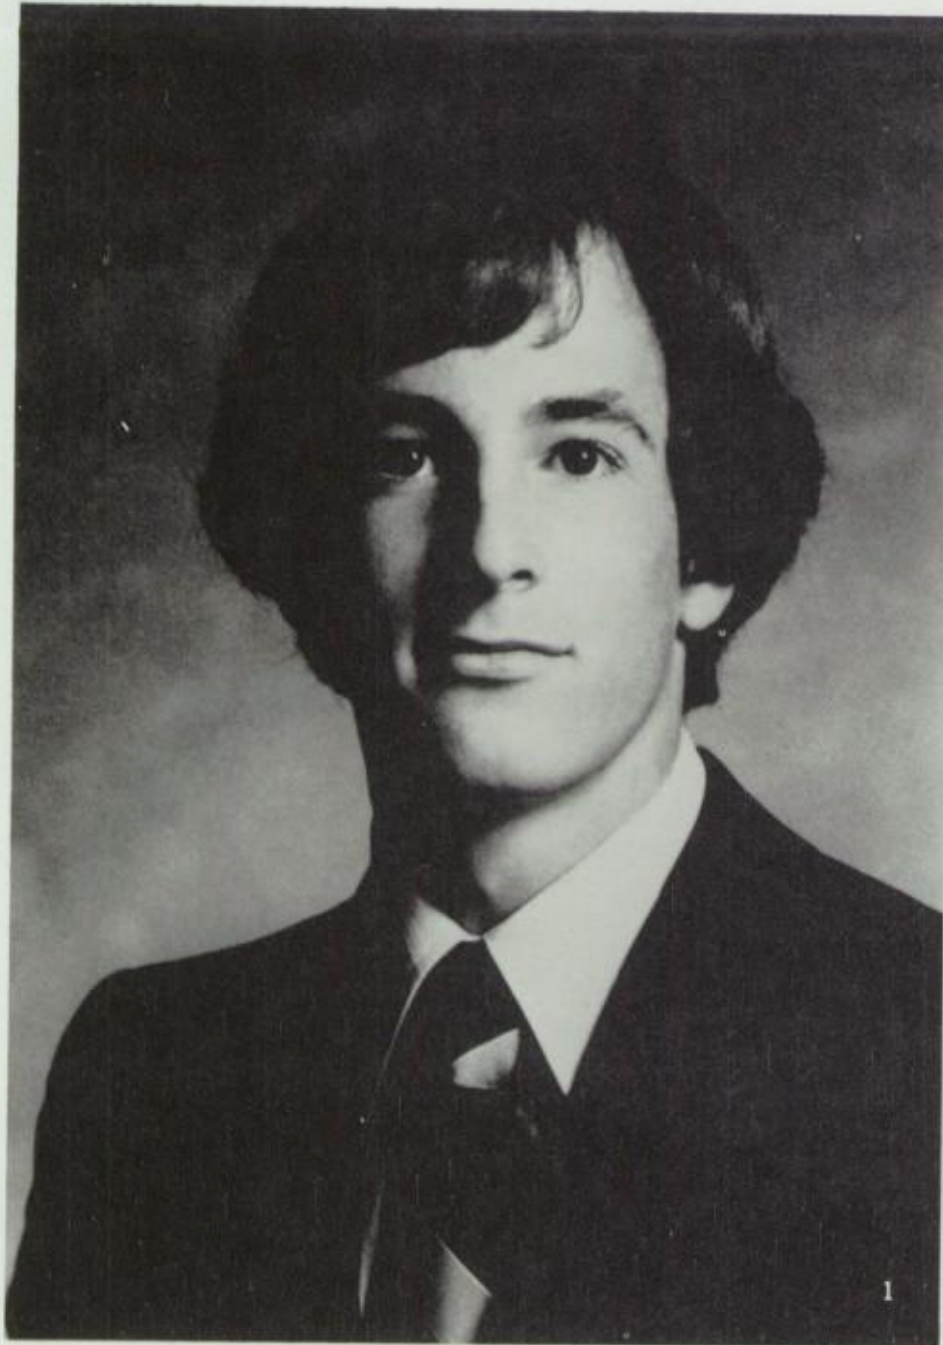

BOYS OF THE MONTH

Although the Boys' Federation was non-existent, there were still Boys of the Month this year. All were seniors and all were voted in for the following characteristics — academic ability, extracurricular involvement, leadership qualities, and personality. The recipients were all very deserving of this honor and although only eight were chosen, they were the best. This year the teachers selected both the Boys of the Month and the Boy of the Year.

1. Steve Selvig, September's, was chosen not only for his outstanding football playing, but also for his academic ability.
2. Jon Svet, October's, was a great student and was liked by all.
3. January's Bob Lane was a great leader and a friend to all.
4. Phil Henderson, February's, maintained a high grade point average in school and also a high scoring average in basketball.
5. March's Kevin Bowland was one of the best basketball players Brea has ever seen.

7. Dan Zaccagnino, May's, was a top basketball player and a dedicated student.
8. June's Joel Cugini has a very successful looking future.

JON SVET VOTED BOY OF THE YEAR

As Jon Svet graduates from Brea-Olinda, he leaves behind a list of accomplishments that affirms his selection as the 1977-78 Boy of the Year. His class voted him, "Most Intellectual" to honor his 4.0 overall grade point average. In his senior year, he played a very active role as Brea's representative to the School Board. This position also brought his involvement in Executive Council. He has accolades from both school and community which read: National Honor Society (Treasurer), CSF (President), National Merit Semifinalist, Century III, Bank of America, German and Math Awards and "Life" Scout.

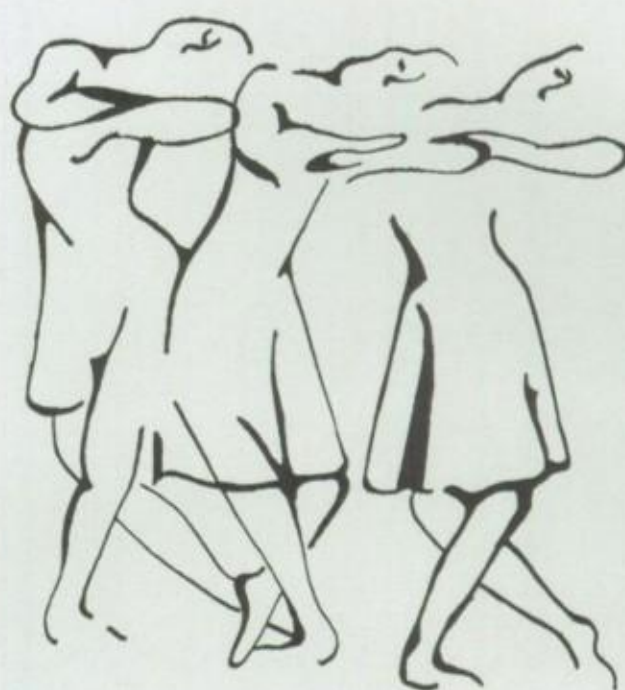

Above all these credits, Jon's friends know him as a friendly and humorous person. We wish him good luck in his future plans, which include attending USC with a Chemical Engineering major.

2. Jon in his role as CSF President.
3. Jon served as School Board President in "Youth in Education" Day.

SENIORS

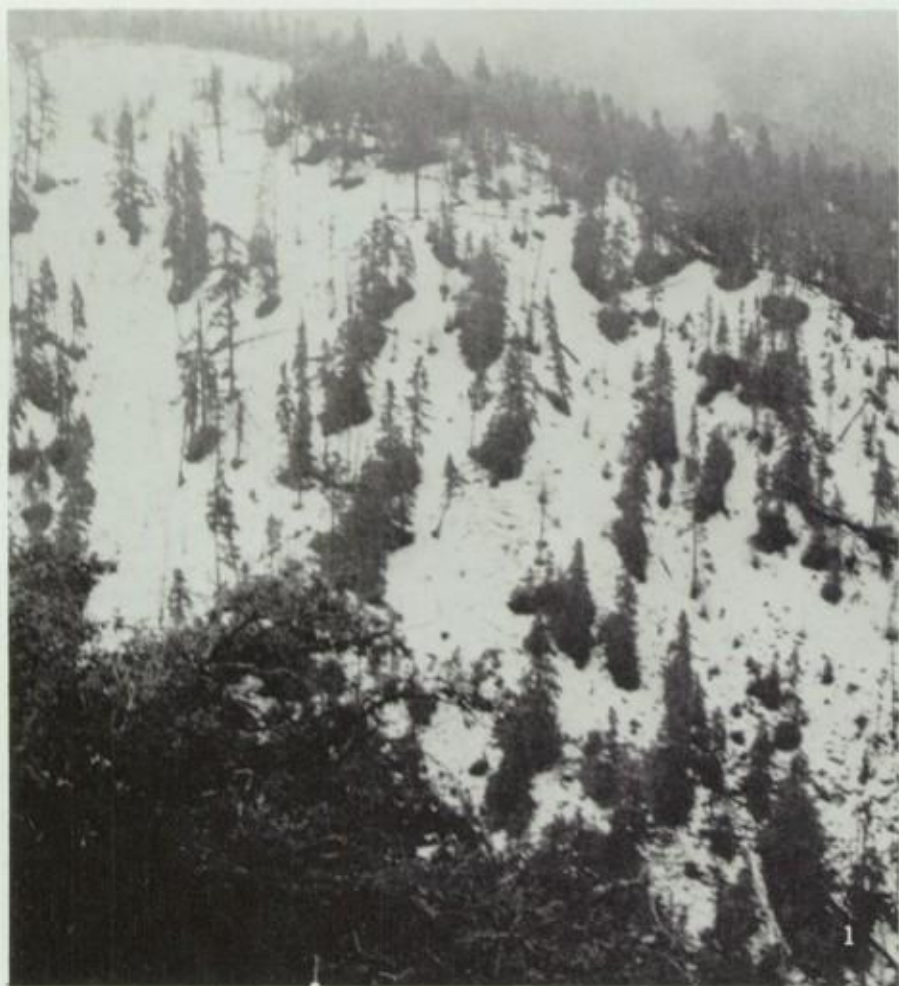

BREAK FOR

INTERMISSION

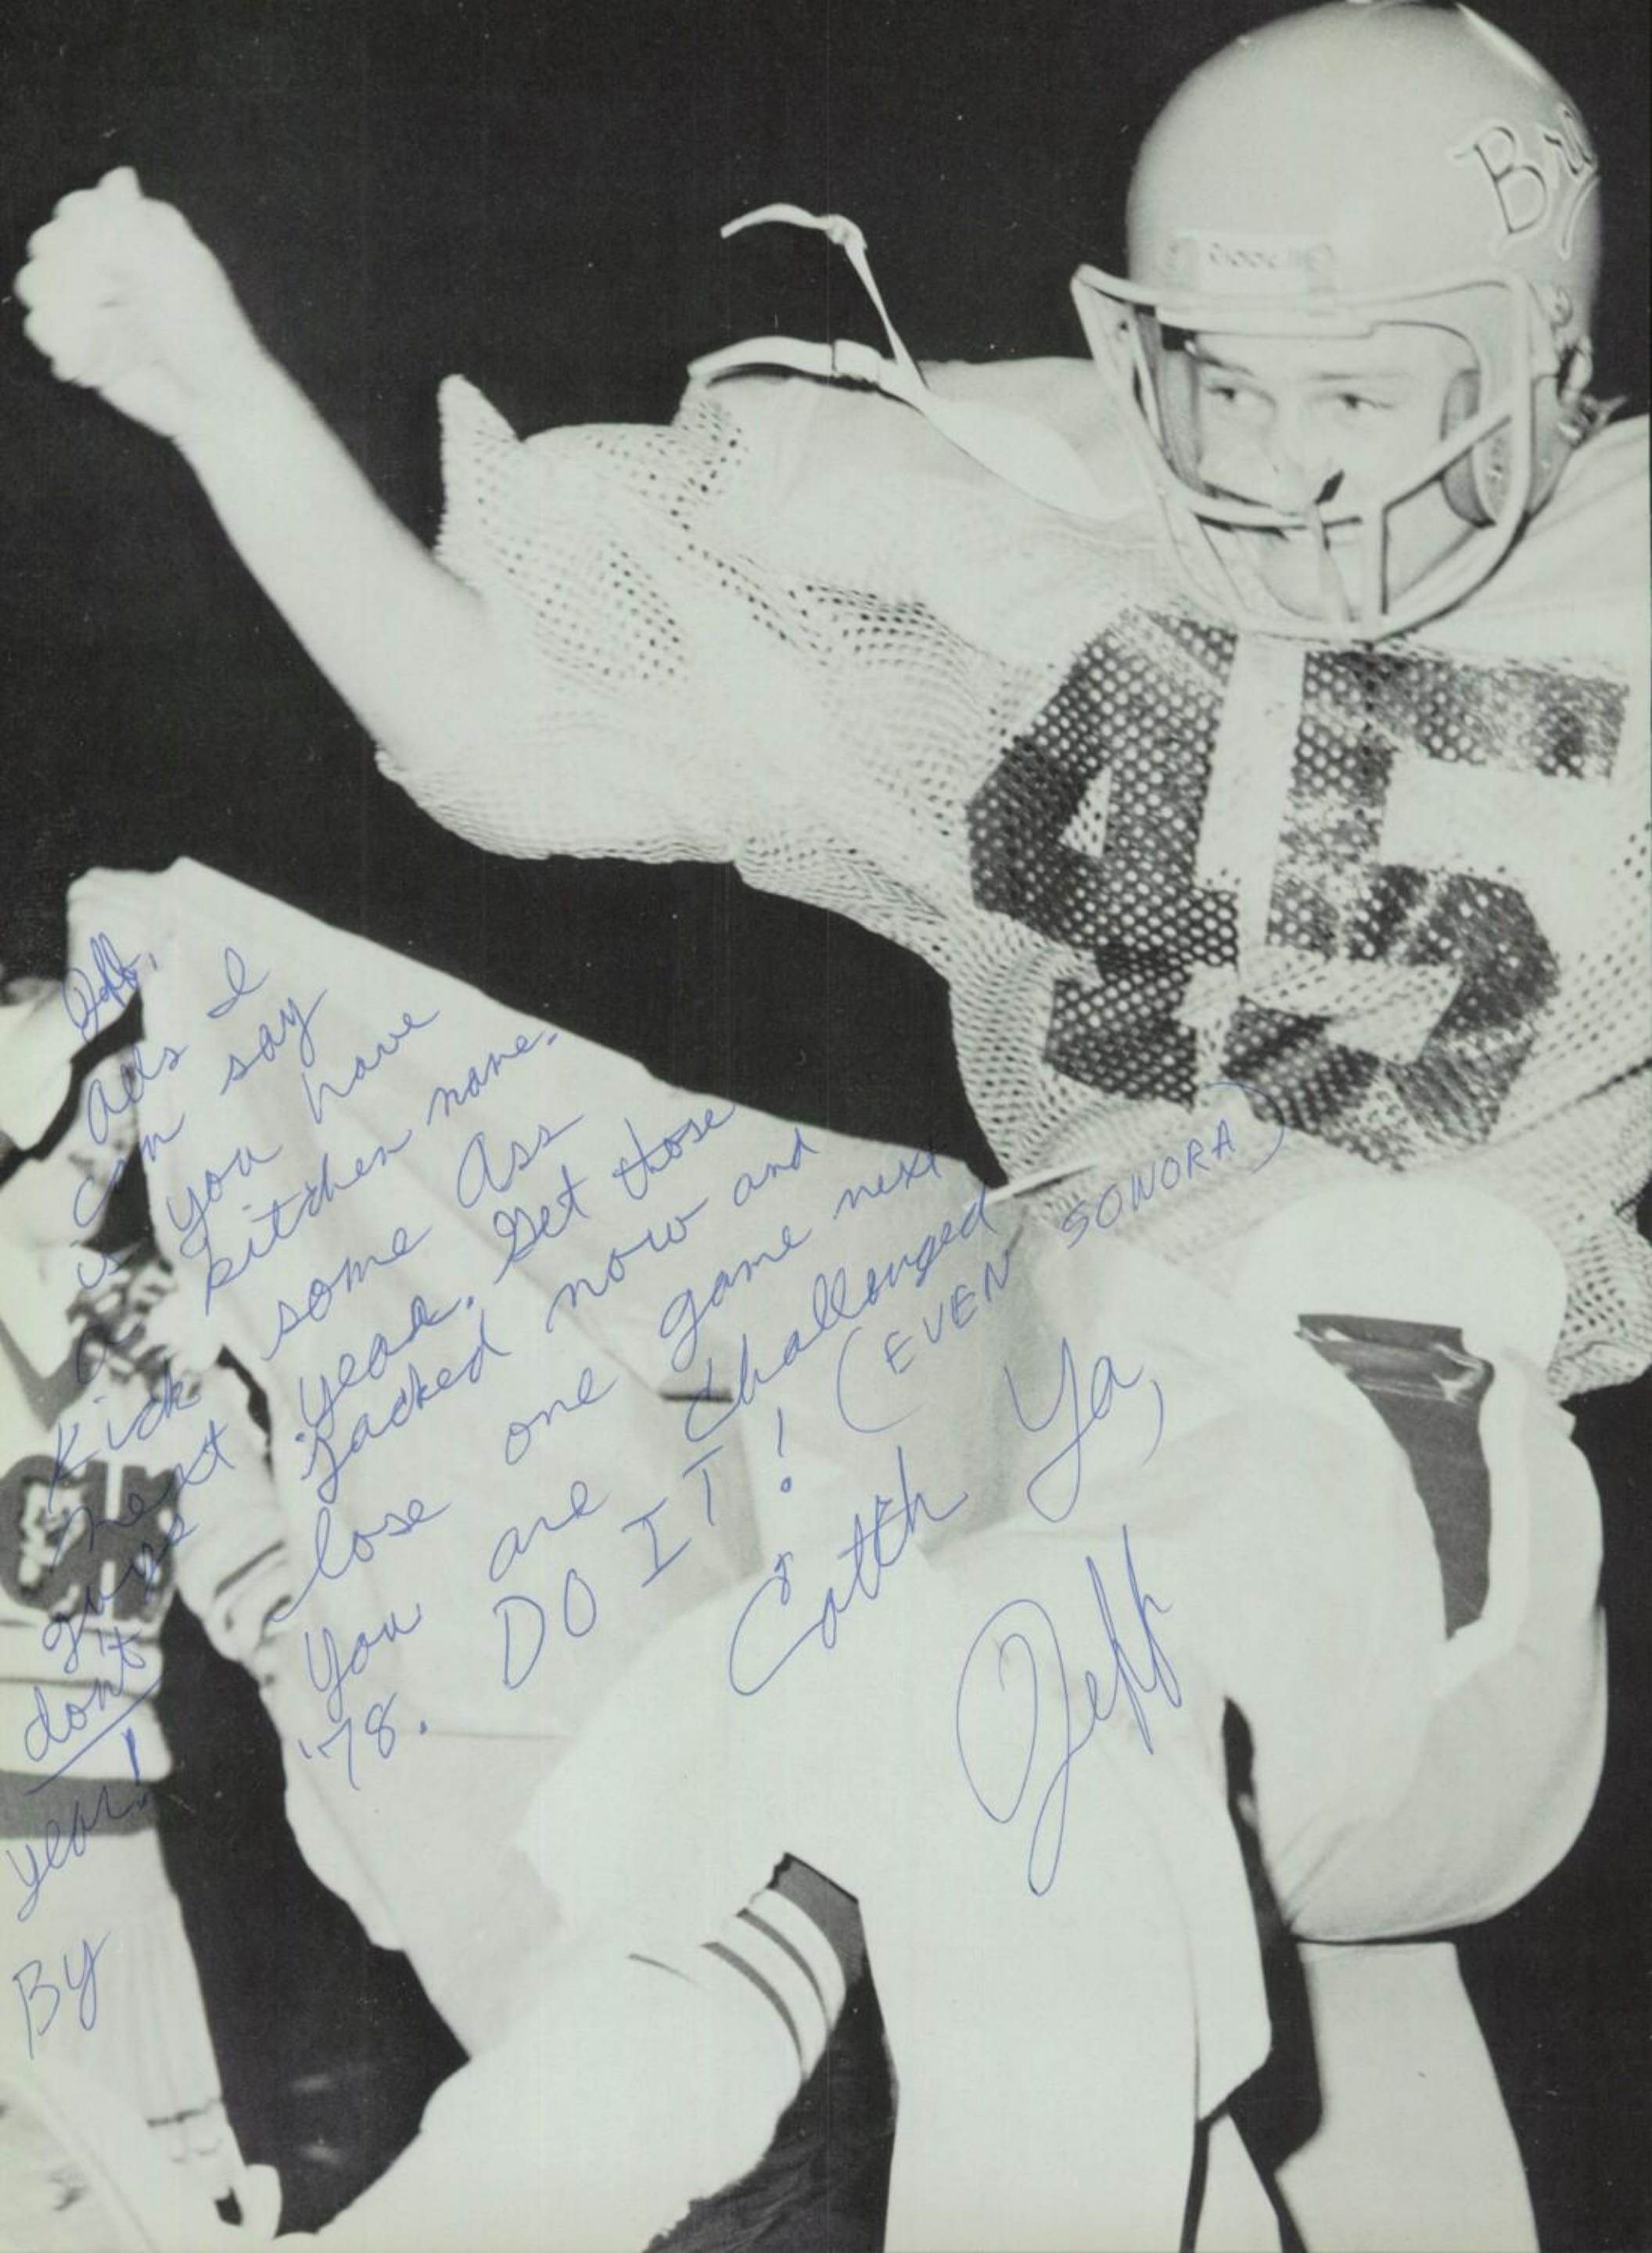

Around Mid-winter, senior students invariably catch a bug that forces them to miss a day of school. Delaying the beginning of their second semester, many seniors gathered in Winchell's parking lot to caravan up to Big Bear Mountain. They were met by disappointment when the public innertube run was closed, but soon went off in search of a snowy alternative. The purpose of Senior Ditch Day is to give seniors a chance to get away from it all and be together as a class. 1978's was chillingly successful.

1. Seniors welcome the photographer with a snowy shower.
2. Lisa Long and Bill Fogler discover a mound of snow.
3. Bob Koon develops a unique style.
4. Lori Nelson and Karen Pitts help in the search for just the right innertube run.

5. Senior guys attempt a tube train.

After last year's rebuilding and a slow start this year, the Brea-Olinda football team notched up five straight victories and rolled to a 5-2 Orange League record. The team, known for its close one or two point decisions, made it into the first round of CIF action. This was the first time in three years that Brea made CIF, and although we were defeated in the first round, it was by no means a disappointing season.

Co-Captains Ken Sutliff, Steve Selvig and Jeff Cross led the team to a respectable 6-4 overall record. Fullback Steve Selvig headed the list of individual honors by being named Orange League Back of the Year, Offensive Player of the Year, and being named to the Orange League first team. Guards Ken Sutliff and Todd Anderson also joined Steve on the first team. Second team honors were won by Back Bill Fogler, Guard Don Fretwell, Safety Jeff Cross, and Tackle Dan Valenzuela. Honorable Mention honors were taken by Tackle Rich Giffin, End Jeff Perring, Center Jim Rosell, and Quarterback Dan Dubay.

SOPHOMORES GIVE GOOD PERFORMANCE

The Sophomore Football Team of 1977 pulled through the season with a strong comeback. After a rather shaky start, the team won three of their last four games. The final win-loss record this year was six wins and three losses. The hard playing and determination of the sophomores earned them a third place finish in Orange League. Two players recieved recognition for their outstanding performances this year. They were Mike Wheatly—Offensive Player of the Year, and Tim Hutcherson—Defensive Player of the Year. Leadership played an important part in the success of the team. This season the sophomores were directed by Coaches Hiskey, Gamboa, and Bearden.

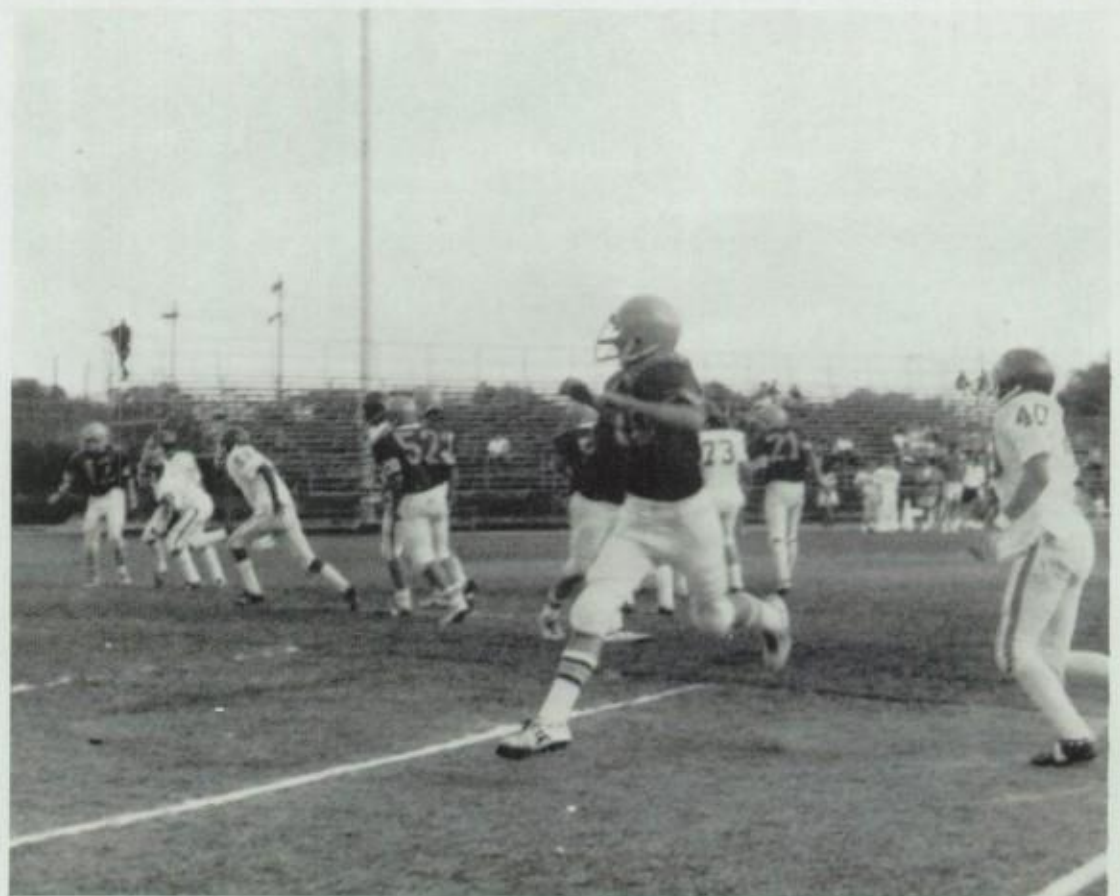

This team will be a great boost to the varsity team next year and will hopefully preserve the success that varsity enjoyed this year.

FRESHMAN OPENING ACT WEAK

Large. That is the description in one word of the Brea Olinda Freshman Football Team of 1977. Fifty five plus players suited up in the green and gold for action this season. However, numbers do not necessarily win football games as they found out. The team combined their talents to score thirty-nine points during the course of the season. One of the bright lights on the team was Phil Rosell who was named Offensive Player of the Year. Mark Nelson was named as Defensive Player of the Year. Giving guidance, experience, and leadership to the young Cats were Coaches McGill, Engle, Dolling, and Molar. Having gained much practical experience on the field, future hopes are high.

WATER POLO SPLASHES TO SUCCESS

The Varsity water polo team had an outstanding season. With an overall record of 16 wins and 6 losses, they were second in the Orange League, and made it to the second round of the CIF playoffs. The team was made up entirely of seniors with the exception of one junior. Brea had a strong experienced team whose players always combined their skill to make a total team effort. Despite broken noses, stitches in elbows, eyes, and broken hands, five men were named to an all-league team. Honored on the first team were Dan Moon and Bill Tripp. Named to the second team was Randy Moody, who was recognized for his ability to play the field as well as goalie. Frank Gambina and Dave Stubbs received honorable mentions. Dan Moon and Bill Tripp were also named to an all-CIF team. Overall, the season was successful and exciting.

FROSH-SOPH AND JV WATER

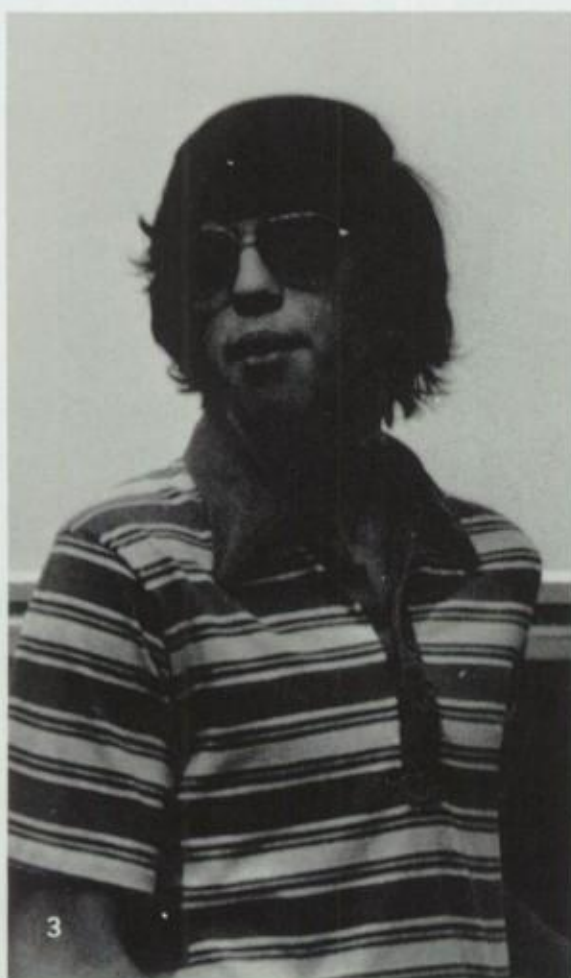

The lower division water polo teams put a lot of effort and time into the season. Their dedication proved worthwhile because the Junior Varsity captured second in the Orange League and the Frosh-Soph Team took third place. The teams worked closely together and learned different moves and plays to prepare themselves for years to come. Team members selected a Most Inspirational at each grade level. Doug Gresch received Most Inspirational at the freshman level. Lonnie Wederski was selected as the Sophomore inspiration, and the Most Inspirational Junior was Dennis Nelson.

The Junior Varsity Water Polo Team had a successful season. With a record of 8 wins and 4 losses, the team had key wins over Sonora and Esperanza. The JV's are looking forward to next year as most players will be back for another year.

The Frosh-Soph Water Polo Team was full of enthusiasm and new talent. A tremendous number of freshmen joined the aquatics program, adding new faces and spirit. The team participated in the Villa Park Tournament and had an overall 8-7 record. Coach Mike Nelson stated, "It was the most talented group of freshmen I've ever seen."

Captain Donna Bradford led the team through a tough season. The Junior Varsity went through the same difficulties but with only two returning players. Coach Judy Ray molded her young team with the help of Captain Cathy Lewis and came out well ahead. Next year should be more promising than ever.

CROSS-COUNTRY WINS TWO

This year's Cross Country team had several hurdles to leap to achieve success, but their luck was against them. The team, under the leadership of Captain Jim Burns, ran winless until league finals where they ran all over Fullerton and Esperanza. This year was the first year of running a three mile course for both Varsity and Junior Varsity. Louie Marron set a new record in the three mile this year of 15:07. Brea finished in seventh place this season with high hopes of next year.

The underclassmen highlighted this year's running. Brea sophomores, led by Captain Ray Estrada, ran to a third place finish after a two-way tie for first. The sophomores also captured the first place trophy at the Mt. San Antonio Invitational and second place at Palos Verdes. The freshman team was too small this year for league competition but, for the first time in several years, Brea has a league champion, Brock Vaughn.

G.A. CROSS COUNTRY RUNS AHEAD

Being successful in a new sport may be difficult for some schools, but Brea didn't show any problems in it. For their first year Brea did very well, and in 1977 they did even better. Even though Brea had a small team they competed in all dual meets, and held a record of 4-3. They also competed in invitational meets such as Mammoth Lake and Dana Hills. Next year Girls Cross Country is looking forward to better and larger team.

JV FIELD HOCKEY SHOWS PROMISE

The Girls' Field Hockey Teams this year were a combination of many strong and experienced players. They lost many players from last year, but gained players with good skill and knowledge. Bad weather during the season hurt them and took a lot of their speed away. They also played many difficult teams that had returned even stronger than last year.

Varsity, with a strong hold on third place, owes a lot of their success to the improvement and skill of backfielders Pam Bullock and Lisa Hammons, and Rhonda Kozumplik and Julia Riley, returning players. JV, with a record of 1-2, did not see much action this year because there were only a few schools with JV teams.

1. The Varsity team gets in a little practice.

WILDCATS — LEAGUE CHAMPS

Brea-Olinda's Wildcat basketball team had an expectedly good season this year by being honored as League Co-Champions. Their overall season record was 19-8. The Wildcats finished league with a record of 11-3. By doing this, they went into the CIF playoffs as Orange League's first place team. In the first round, the Wildcats rallied to win 73-67 over Burbank. They faced a tough Upland in the second round and were never in total control throughout the game. Brea fell only one point shy of victory with a score of 66-65.

In his fourth year at Brea, head coach Gene Lloyd led his team to victories in the Laguna Beach, Troy and Brea Tournaments. The Wildcats brought home a Consolation Championship trophy from Laguna Beach, and second place from their Christmas tournament.

The captain for this year's squad was senior two-year letterman Bob Sallis. Sallis also broke two CIF records for assists. His record for one game is 24 and for one season is 286. Co-MVP's were Phil Henderson and Kevin Bowland, who were both All Orange League. Tom rebounder was Andre Francis with 287, who also was the most improved player. J.V. BEATS LEAGUE CHAMPS

JV Basketball 1977-78 compiled a 5-9 league record, using a strong, season ending comeback that was a carbon copy of the JV team in recent years. Most of the losses were close decisions, usually determined by 4 or 5 points. The team was instructed by Coach Rick Jones, whose coaching was, in his own words, "excellent". Despite the team's 5th place effort, there were many good individuals on the team. The scoring was mostly handled by Dan Reid, Charles Boss, and Mike Coffey. Getting the "boards" were Tom Guozzo, Dan Reid, and Chris Rich. One of the best games this season was the win over the Sonora Raiders. Other high points included the wins over El Dorado and League-Champions Valencia.

The freshman basketball team did well this season with a 9-5 record. Coached by Mike Lowe, a former Brea player, they hustled to a 2nd place finish. This year's team was a very large one, giving much hope for the next three years. Mark Olesh led the team in scoring with Randy Weston pulling down the rebounds. The race for second place was a fight to the finish. In the last game of the season, Brea needed to beat Valencia to solely capture second place. Unfortunately, Brea lost 56-54 to tie for second.

Brea-Olinda's sophomore team didn't finish quite as highly as the freshman team. They ended the season with a 3-15 record. The teams they defeated in league were top ranked Sonora and Fullerton.

Back row: Bob Burdett, Ron Sparks, Jeff Chaffin, Mark Marmorstein, Jeff Harkness, Jeff Kleber, Randy Weston, Mark Olesh, Jeff Melendez, Jon Schmid, Coach Lowe. Front row: Tim Heuck, Keith Ham, Jeff Sinclair, Tom Stoerck, Dave LaRue.

G.A. BASKETBALL SCORES WITH NEW TALENT

Varsity Basketball Team: J. Hullah, D. Hanggie, S. Davis, J. Taylor, M. Kwast, C. Affeldt, K. Lanthripe.

1978 saw Brea's Girls' Varsity Basketball team start out very young and inexperienced, but progress to a well balanced, fundamentally sound team. When asked to describe her team, Jacqueline Hullah, girls Varsity basketball coach, remarked "Every girl was talented, intense, dedicated and showed potential." The Jr. Varsity girls' basketball team competed against schools that were equally competitive. With a new coach, Sheri Poorman, the team ended the season with a basic knowledge of the fundamentals of basketball.

VARSITY REACHES FOR TOP IN O.L.

Varsity learned to pull their weight. Having a very young team didn't stop BO's wrestlers from keeping up with the other Orange League schools.

Under the supervision of Coach Dave Brown, the team successfully obtained several honors. Winning the Brea Tournament and coming in fourth in the Century Empire Tournament enabled them to gain the incentive needed to have a successful season.

Pulling their own meant coming in second in league competition. Although only three seniors participated, the team definitely proved itself to be an asset to Brea-Olinda.

Bottom row: M. Wyatt, D. Parque, R. Harrington, G. Raymond, D. Wyatt, G. Raine, C. Raine, J. Lopez, S. Nolan, D. Denley. Top row: L. Presson, J. Crilley, K. Brewer, C. Oldroy, D. Ball, J. Waggener, M. Ashton, K. Hobbs, C. Sciano, R. Giffin, J. Davis, D. Brown.

This year's JV wrestling team was definitely an asset to Brea-Olinda. Even with a shortage of heavy-weight wrestlers, they still managed to perform well in key situations. Relatively strong in the lightweights, the team was able to defeat both El Dorado and Sonora. They also finished fourth in the Century Empire Tournament. With the combined effort from both Craig Allred and Russ Figueroa, the team was able to maintain and hold a solid league position.

FROSH-SOPH GAINS EXPERIENCE

With a very young Soph-Frosh team, Coaches Mark Wyatt, Larry Presson and Steve Nolan had a tough job ahead of them. Thanks to constant work, they were able to obtain a few decisive victories. They finished second in the Canyon Tournament and came in fifth in the San Clemente Tournament.

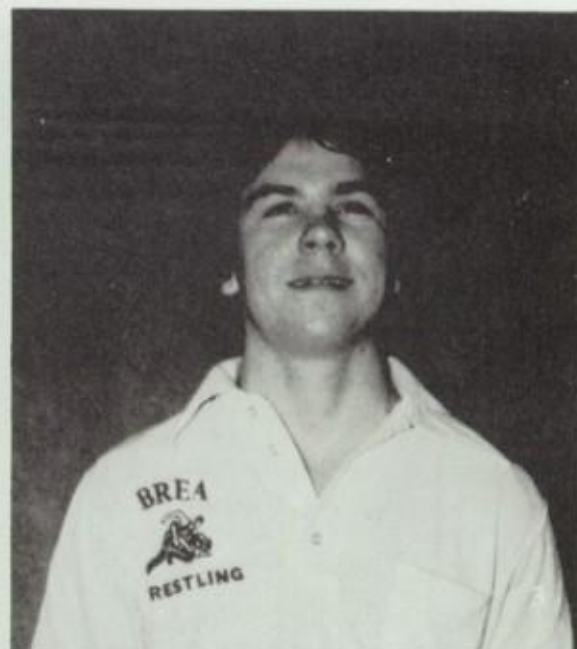

Receiving outstanding effort from wrestlers Kevin Hobbs and Eric Buckner, the team was successful. Although handicapped by lack of heavyweights, prospects look good for the future.

GYMNASTICS BALANCE

Girls' Gymnastics had an exciting year of preparation for their season, starting far in advance of their Feb. 3 opening by selling candy sticks in October. During Christmas vacation the girls went to a gymnastics camp to prepare for their season. Their March 1 meet at San Juan saw strong performances by Debbie Evans and Dawn McConnell, two returning players from last year. The squad did very well considering it was a young team with only three seniors. They received a new assistant coach, Ray Latonio, from CSU Fullerton, who taught them new techniques and helped the girls with their routines. With Sharon Martin as their coach, gymnastics had a very strong year.

EDITORS' PAGE-OUR LAST BOW

After enduring all of the frustrations of our yearbook, I can honestly say that I had fun being co-editor. Although at times I thought we'd never finish it, the end product was worth all the worrying and I hope you feel the same way.

I want to thank all the staff members, without their help we would never have finished the book

Lori Carle

Being co-editor of this book was one of the most frustrating things I've ever done. I kept telling myself that I would see it differently when it was all over, but that didn't make it much easier.

You now hold a book in your hand. I hope it has a cover and pages that are filled with pictures. That's all I need to be happy.

It was with the help of the staff members that this book was produced, and I want to thank them all.
